Innovation.

Royal Vendors has a rich heritage of pioneering industry innovations. Examples include the introduction of the Econo-cool Refrigeration System, the first vending company to be Energy Star approved, and other innovations that ensure you are partnering with a company that is committed to making your business better.

Quality.

Above all, Royal Vendors is committed to providing a superior product. We insist on tight quality control standards, and consistently maintain ISO registration.

Environmental Responsibility.

Royal Vendors has had a formal environmental policy for the last 15 years. Innovations such as energy management software, low-power lighting, and minimizing waste streams are all part of the Royal culture. When you partner with Royal, you are doing business with a company that has won the Energy Star award for technical innovation and we are committed to continuing our efforts to minimize the environmental impact of our equipment.

Service.

Each vender is backed by respected industry leaders and a dedicated support team, many with more than 20 years' experience in the soft drink field. Ours is a "people" advantage: unparalleled depth of technical knowledge; a thorough understanding of customers' needs; and a desire to foster long-term client partnerships.
