

GRYPHON™

THE NEXT GENERATION OF COIN VALIDATION

Leading the market in speed, security, and recognition, CPI delivers the next generation of coin acceptance technology

- ☒ Three motors deliver faster payout and increased reliability
- ☒ Proprietary sensing technology delivers industry leading fraud protection and future-proofed operation
- ☒ Enhanced configuration options allow 12% more capacity for more payout flexibility and fewer change-fill visits
- ☒ USB connection ensures seamless upgrades and data retrieval, reducing at-machine upgrade time by up to 80%
- ☒ Enhanced User Interface for a simple and intuitive user experience
